Subject: Public Hearing and City Council Meeting - Approval of PBID Renewal

Good afternoon,

Alan and I attended the public hearing today and stayed for the vote count. Since they were tabulating by hand, they will need to run through the same tabulation process again for accuracy.

However, preliminary results show an 80.45% approval in favor of the renewal. There are a few more formalities but for the most part we are done with renewal process.

Thank you all for your support.

Best regards,

Lorena Parker
